Community and Sustainable Tourism Tour

Flor de Pochote Touristic Center

A designed tour for those looking to approach nature in the least explored places, to discover the cultural and historic treasures that offers Masatepe in the community El Pochote.

Visit with us a coffee plantation, participates in the handmade coffee piled, toasted and ground and discover the social side of the main product for export of Nicaragua and enjoy your cup of coffee, prepared by your hands.

Enjoy our nature and ideal environment to connect with traditional practices of our ancestors and taste our wine made from fruits of our farm.

This tour combines three activities, particularly:

1. Tour in Ox Cart through our community
2. Experience the way of living and thinking of our community,
3. Visit the agricultural Museum of Nimboja, where you will learn the tools that were used and continue to use by our farmers and ancestors.
